Class Attendance Policy:	You are expected to log in regularly (daily, perhaps several times per day) to submit assignments, check grades, personal messages, and view course materials. Student(s) who fail to participate in the online course during a course week will be deemed absent for that week. The absence will be annotated as absent unexcused (AU), unless the professor has been informed beforehand and deemed the absence as absent excused (AE). The professor shall report all absences to the main campus as required. A student who has not participated for 7 consecutive days regardless if the absences were deemed AU or AE shall be recommended for administrative withdrawal to the main campus. In a traditional classroom just because a student contacts the professor and is excused from a scheduled class meeting does not mean the student is given credit for participation or attendance. The student is still annotated as AU or AE**. The online classroom shall be no different in this respect.** It is the professor's sole discretion as to what he/she shall consider AU or AE.
Submission of Assignments:	**Scheduled assignments MUST be completed and successfully submitted through the Canvas Assignment Tool** (drop box) by due date and time. Assignments automatically become unavailable after the due date/time expires. All assignments MUST be keyed using MS Word or saved as a .DOC or DOCX file and no multiple submissions will be allowed. **1. DISCUSSIONS** All discussions are assigned as short essays and corresponding interactive discussions. **Submit all of your short discussion essays as an**

attached file.

Topics, Guidelines, and Rubric for discussion essays will be issued separately.

The Rubric (Online Discussion Rubric) is applied for all discussion essays.

Interactive discussions may not be bound by the Rubric but should be clear at least without grammar, spelling, or typing errors.

Do NOT submit interactive discussion as an attached file.

2. QUIZZES

All quizzes consist of multiple choice questions.

Be certain to read ALL pertinent materials prior to taking quizzes. Not doing so will certainly lead to disappointing results.

3. CLASS REPORT

Submit Class Report as an attached file.

Students are required to write a **Class Report** on a topic addressing issues concerning terrorism and control. The paper should fully discuss the issue or topic to the comprehension of a lay person.

Guidelines & Topics of Class Report will be issued separately.

The paper is to follow the APA style. For information on APA style, consult**:** http://www.wisc.edu/writing/handbook/DocAPAReferences.html.

The **Class Report** must consist of a minimum of 6 different citations from at least 2 different hard-copied academic journals and/or research books in the APA format. It must be **6 double-spaced pages**.

The textbook of this course can be used as a

	required reference book for this report.
	Please note that spelling, punctuation, sentence structure, grammar, and the general content will factor prominently in determining the report grades. Please note that plagiarism (making intellectual use of material that originated with another author without citing the source) is a serious intellectual offense and will be addressed accordingly, that is to the highest punitively academic degree. Any act of plagiarism may result in an automatic "F" grade.
Make-up Policy:	Make up maybe allowed, depending on the circumstances with an excuse as the University policies (institutionalized in The MVSU Student Handbook) defined. Following the University policies, it is at the professor's discretion to grant the students' request for make-up before or, on some occasions, after the deadlines of quizzers, exams, or assignments.
Course Drops/Incompletes:	Students not completing the course for any reason are required to submit official drop notices to the Registrar's Office prior to the deadline date. **This is your responsibility**. Failure to comply with the procedure <u>WILL</u> result in your receiving a letter grade of "**F**".
Cheating and Plagiarism Policy:	Cheating in any fashion will not be tolerated, including but not limited to plagiarizing another's words, work or ideas on individual class assignments. To address the situation of plagiarism, the University has implemented *Turnitin* to fight plagiarism and improve reading, writing, and research skills. *Turnitin* is a comprehensive plagiarism prevention system that lets faculty quickly and effectively check all students' work. Results are based on exhaustive searches of billions of pages from both current and archived instances on the Internet. Plagiarism will result in at least a failing grade for the assignment(s) and/or course.

The course will incorporate the following instructional strategies: class discussion, online activities, assigned readings, quizzes, and/or individual projects. Students are encouraged to actively participate in activities, ask questions, and contribute comments for discussion. Students are also encouraged to offer input regarding instructional strategies and assignments.
	Most importantly, it is students' responsibility to be active learners and to ask for clarification when they have any questions. In order to be successful in the class, it is important that students must read the assigned material, submit assignments and participate in discussions of what they have read. The goal of this approach is to develop a safe learning environment that addresses a variety of learning styles, promotes critical thinking, and fosters creativity.
