THE INSTITUTION

OFFICE OF INSTITUTIONAL RESEARCH AND EFFECTIVENESS

The MVSU Office of Institutional Research and Effectiveness (IRE) is an administrative support unit reporting directly to the Provost and Senior Vice President for Academic Affairs. The staff consists of an Assistant Vice President, an Associate Director, Data and Compliance Analyst and an Administrative Assistant. Our staff remains active through our membership in the Mississippi Association for Institutional Research and our membership in pertinent institutional committees.

The IRE office has a variety of responsibilities. Our primary task is to coordinate the submission of recurring IHL-MIS reports and federal IPEDS reports on behalf of the university. We also prepare a number of ad hoc reports for administrators and staff in order to inform and guide their management decisions. In addition, IRE provides information to a number of external entities.

Another very important role of IRE deals with SACSCOC accreditation and institutional effectiveness. In an effort to gauge compliance with SACSCOC standards for quality and effectiveness, IRE periodically audits compliance with SACSCOC standards and coordinates annual assessment processes. These efforts ensure the on-going quality of the University's programs and services.
