What is Reaffirmation of Accreditation?

Mississippi Valley State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Reaffirmation of accreditation occurs every 10 years and includes an interim review after 5 years. MVSU's accreditation was last reaffirmed in 2012 and the University successfully completed its interim review in 2018. MVSU has begun efforts to ensure reaffirmation of accreditation in 2023. The MVSU **SACSCOC Leadership Team** and **SACSCOC Compliance Team** officially kicked off this process by attending Orientation Sessions at the SACSCOC Annual Meeting in December 2020.
